### Volunteer Hours

TCD would like to thank Marquette University School of Dentistry and Fox Valley Technical College for our continued collaboration. We couldn't do what we do without the hard work of the Fellow and dental students from Marquette and the hygiene and dental assisting students from FVTC who help us bring quality dental care to all of our patients! From January through the end of July, total volunteer hours from MUSoD and FVTC were:

**Marquette Fellow:** 975 hours  
**Marquette dental students:** 2248 hours  
**FVTC hygiene students:** 319 hours  
**FVTC dental assisting students:** 230 hours

### Staff Spotlight

Sue - Hygienist

Sue just celebrated 5 years as a hygienist at TCD! She came to us after the dentist she had been working for retired. She brought with her many years of hygiene experience and has enjoyed the variety of her days here at TCD. From seeing kids at school for their screenings to cleaning kids teeth on the mobile clinic and at the clinic; there is always something new for her to do and learn. When she is not cleaning teeth she enjoys camping, boating, walking her dog, Rosie, and spending time with her family. She has been married to her husband, Jerome, for nearly 38 years and they have 2 daughters and 3 grandchildren; ages 7, 4, and 2. We are so glad Sue is a part of our team!

# 2019 “Double Your Donation” Drive

Every dollar donated to the clinic between October 1st and December 31st will be matched up to \$100,000.

We are kicking off our annual **“DOUBLE YOUR DONATION”** drive to provide financial support to Tri-County Dental. Thanks to our sponsors; J. J. Keller Foundation, Inc., Oshkosh Area Community Foundation and an anonymous donor we are able to match donations made during October, November and December.

**A Note from  
 Jeff Buchta, CEO  
 and Executive Director**

- The following three letters tell our story:
- “One of our patients is part of your Wetherbee Orthodontic Program. She was in for an appointment today. Her mother stated that she is so appreciative of the Wetherbee Orthodontic Program because she would never have been able to afford braces or any sort of treatment for her daughter. Her daughter also deals with other medical/emotional issues so having straight teeth is something positive and happy in her life. Mom was crying and hugging our technician and just continuing to state how happy she is that we could help her.” — *Selena, Keesler Orthodontics*
  - “We want to let you know how grateful we are that you were willing to take the time to take care of my husband’s tooth. What you did was so very kind and it meant more to us than words can say! Thank you doesn’t seem like enough, but it is heartfelt!” Carol
  - “I want to say THANK YOU!! for the treatment given to my granddaughter, Daniell on Monday, September 9, 2019. She was in pain so many days while traveling and could not afford treatment along the way. Your service is a great blessing to many – and an absolute need. Again THANK YOU ALL from her grandmother, Toni. God bless you all and the kind work you do.”

Last year we provided \$4,431,000 worth of services to 15,900 patients. We could not have provided this amount of dental care without the donations of our supporters, the work of over 400 volunteers and the excellent work of our compassionate employees.

“Thank you to our generous supporters for allowing us to provide all of these services to those in need.”

# Thank you to our donors!

Our sincere thanks go out to the donors listed here, who made contributions to Tri-County Dental so far in 2018 or 2019. We have made every effort to acknowledge these gifts correctly and completely. Please contact us and accept our apologies if any corrections need to be made in future publications.

## Meet Dr. Claire

Dr. Claire Krummel is the newest Marquette Fellow at TCD. She will be providing quality oral health services for us until May 30, 2020. She comes from Manitowoc, WI and plans to join a group practice there with her mentor after her year at our clinic. She credits the support of her loving family; her mom, dad, and 2 brothers, Quentin and Killian, for helping her make it through dental school successfully. Outside of the clinic she enjoys baking and has been bringing in delicious treats at least once a week to share with the staff and Marquette students. She also completed her first marathon this past summer. Dr. Claire says her favorite part of working at TCD is working with and gaining knowledge from the volunteer dentists and our dental assistants. We are so lucky to have such a wonderful dentist and person here at the clinic to provide care for our patients!

## Chip In Day

July 19, 2019 was Chip In Day at Tri-County Dental. 6 volunteer hygienists and 4 FVTC dental hygiene students spent their morning at the clinic and we filled their schedules with children who needed their teeth cleaned. In all, we saw 26 children that morning for cleanings. A big thank you to our MU fellow, Dr. Claire Krummel and the following volunteer hygienists: Sara Netzer, Tammie Bauer, Lynn Kettenhofen, Alexandra Vysotski, Molly Provo, and Jody Wormley. We also thank the following FVTC hygiene students: Amanda Kloehn, Billie Larson, Alexis Nelson, and McKenzie Malin. We greatly appreciate all you do to help our clinic provide quality dental health care!
